

MAKANI COMPANY

General Contracting & Supplies

ELECTRICAL SOLUTIONS

SOLAR SYSTEMS

POWER GENERATION

PREMIER TECHNICAL SOLUTIONS

Makani Company is a leading engineering provider delivering end-to-end expertise in electrical manufacturing and energy systems.

Guided by precision and quality, we have established ourselves as a trusted technical partner for industrial, commercial, and marine infrastructure projects.

24/7 100%

SUPPORT

QUALITY

OUR FOUNDATIONS

Our Vision

To be the region's most trusted integrated energy and electrical solutions provider, recognized for technical excellence and innovation.

Our Mission

To deliver safe, sustainable, and highly efficient energy solutions through superior craftsmanship and dedicated customer support.

Electrical Solutions

Engineering precision in every panel and connection.

PANEL MANUFACTURING

- ✓ Main Distribution Boards (MDB) & SMDB
- ✓ Motor Control Centers (MCC)
- ✓ Automatic Transfer Switches (ATS)
- ✓ Power Factor Correction Capacitor Banks
- ✓ Custom VFD and PLC Control Panels

All panels are engineered to international safety and performance standards.

ENGINEERING CAPABILITIES

Design

Load calculations, SLD preparation, and protection coordination design.

Fabrication

Professional copper busbar work and precision assembly in-house.

Testing

Dielectric, insulation resistance, and functional sequence validation.

Solar Energy

Harnessing the sun for sustainable industrial power.

PHOTOVOLTAIC SYSTEMS

Makani delivers turnkey on-grid, off-grid, and hybrid solar solutions designed for maximum energy yield and ROI.

- ✓ Rooftop Industrial Arrays
- ✓ Ground-Mounted Solar Farms
- ✓ Solar Carport Canopies
- ✓ Hybrid Storage Systems

PROJECT HIGHLIGHTS: SOLAR

Solar Carports

Structural engineering & PV integration.

Large Scale Rooftops

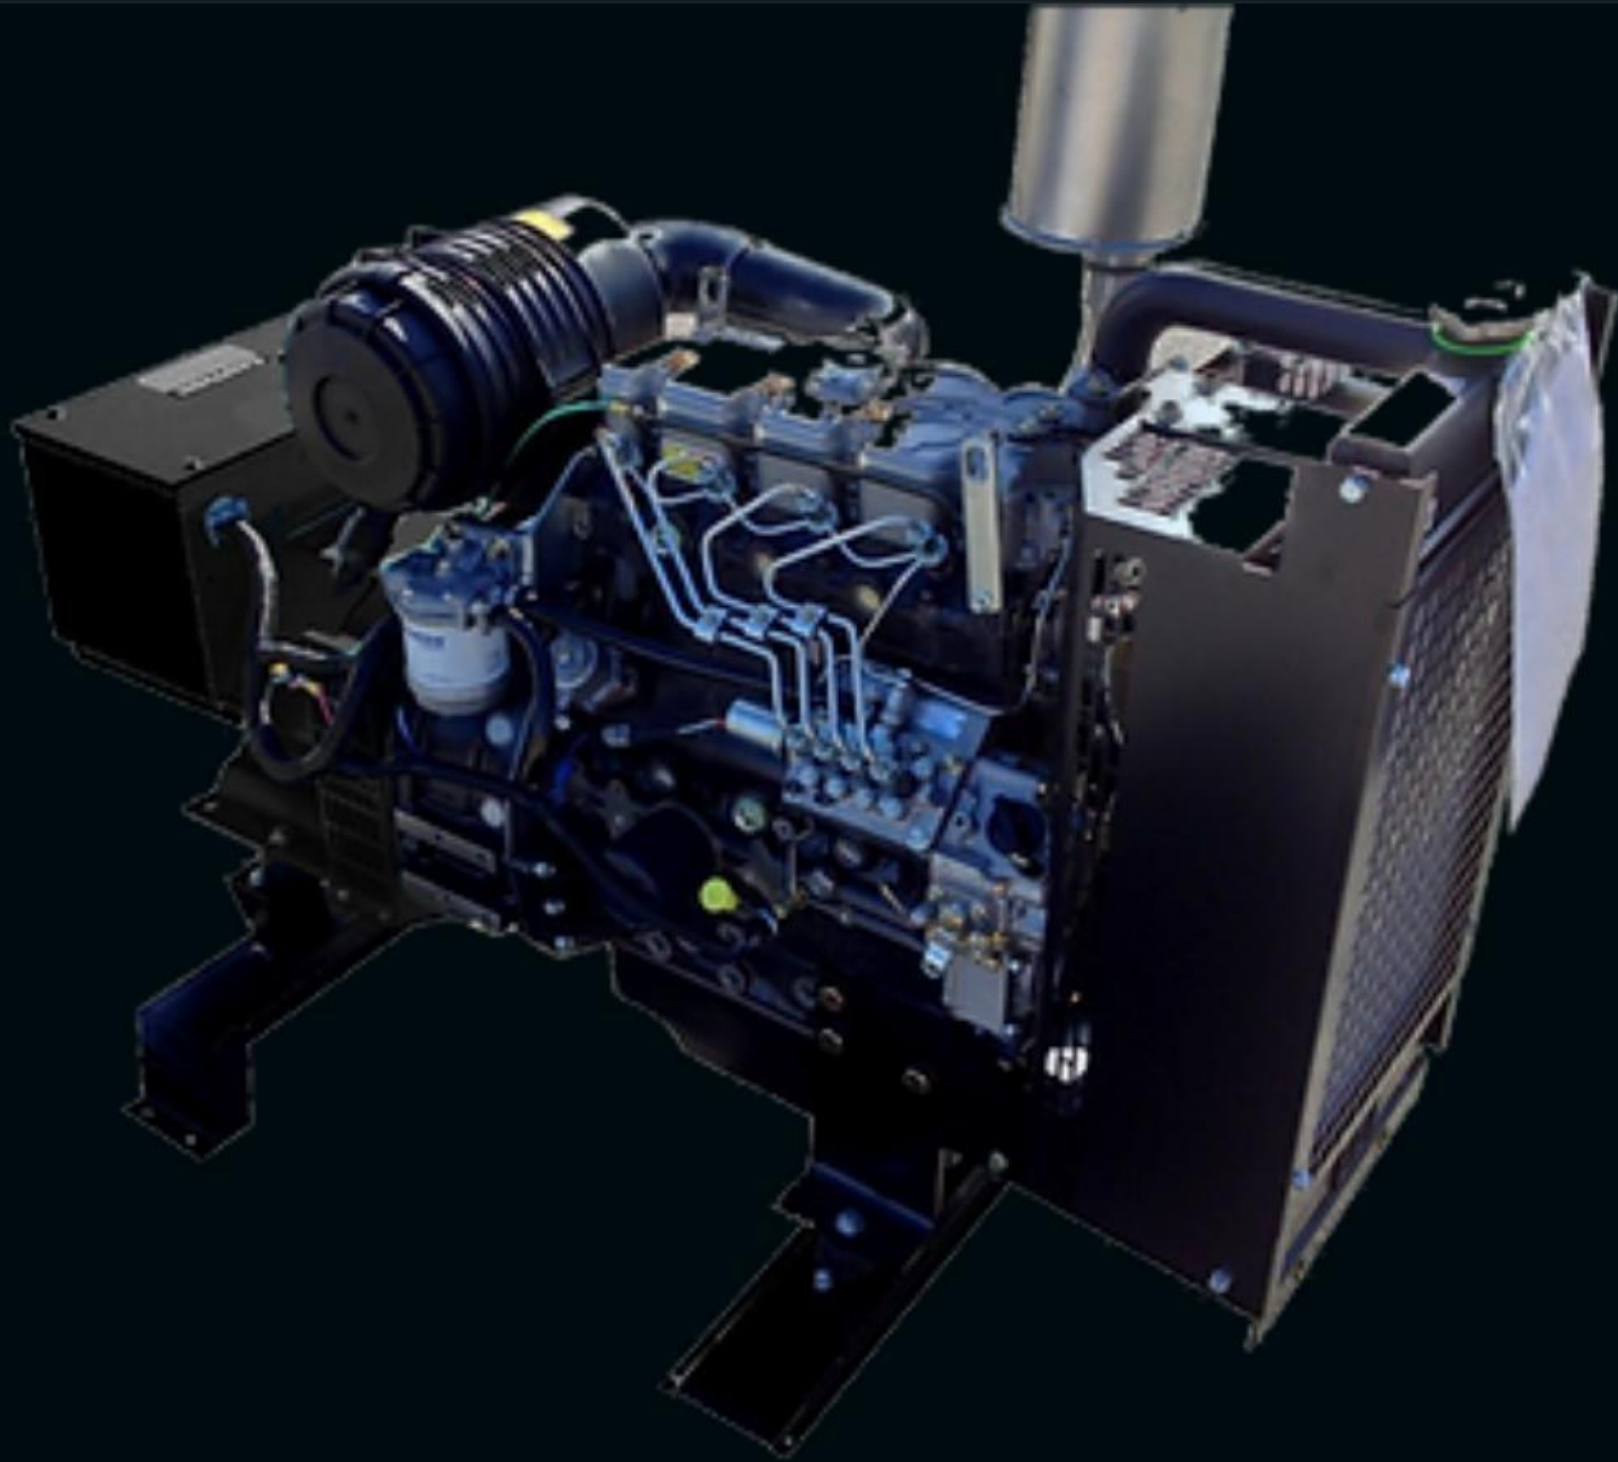

High-efficiency industrial energy generation.

Power & Marine

Reliable backup and specialized offshore solutions.

GENERATOR & MARINE WORKS

Backup Power Systems

Supply, installation, and load testing of prime-power diesel generator sets (Perkins engines).

Marine Electrical

Specialized onboard generator maintenance and marine-grade cable/panel servicing for offshore units.

INDUSTRIES WE SERVE

Sector	Our Specialization
Industrial & Factories	MCC Panels, Power Distribution, Solar Integration
Marine & Offshore	Engine Room Controls, Marine Generator Service
Commercial & Retail	Rooftop Solar, Backup Generators, ATS Systems
Agri-Projects	Irrigation Power, Remote Solar Installations
Health & Education	GEMS Academy Solar, Hospital UPS & Generators
